Organic Turf Trade Bio-Fusion or Bio-Fusion + Beneficial Microbes

Healthy Soils and Lawns

Why did we put so much goodness in our fertilizer formulations? *Organic Turf Trade* wanted to go beyond just feeding your lawn. All of our fertilizer plus Bio-Fusion products help grass more easily take in and use nutrients and water more efficiently. We also added anti-stress compounds so grass is stronger, healthier, and can stand-up to disease and insect attacks, all season long.
